Sunday 27 December

No Services

There are no services this Sunday as we, and you, enjoy a well earned break after a hectic Christmas week!

Christmas will be very different this year as a result of COVID 19 restrictions. However, we are still wanting to cater for every age group and every taste with a variety of services, both live and virtual, and we want to invite you to join with us. One of the sad things about holding services in church is that we are, currently, not allowed to sing, which is why the outdoor family Carol Service should be very welcome indeed.

We have COVID 19 safeguards in place and we have limited numbers for all of our services - you will need to register for these in advance. You can do so here <https://prayin.io/nys-xyj-dfs> scroll down to find the event of your choice. Please use one entry per person. Registering in this way will act as our 'Test & Trace.'

**We wish you a wonderful Christmas and
God's richest blessing upon you and your family
at this 'most wonderful time of the year.'**
